		<i>"Carry each other's burdens, and in this way you will fulfill the law of Christ." Gal 6:2</i>	<i>"Let us consider how we may spur one another on toward love and good deeds." Heb 10:24</i>	This month we pray for RH partners and the sacred work we share – for every life touched, every story carried, and every burden borne by those who've been exploited.	1. Give praise to our Lord and Savior for the growth and outreach we have experienced at RH, for the Hope Bags, and for the wonderful, successful Mentor Program.	2. We always ask for the Lord's provision for Hope Bags. Pray for donors to be led to give as we are low on items: adult clothing and toiletry items.
3. Give praise for new staff members at RH, Kathryn and Indi. Bless our staff and fuel their unity, passion and love for those who are exploited. May new staff feel welcomed and supported.	4. Join us in seeking the Lord's blessing and favor over RH in awarding them the grants applied for to support all facets of RH and the work they do.	5. Pray for Lotus Foundation as they restore those who are broken and renew their sense of worth and dignity. Foster trust, resilience, and courage in every step of their journey.	6. Pray for our fundraiser with What to Wear Boutique. Pray for policy makers and community leaders, that laws and systems protect the vulnerable and hold exploiters accountable.	7. HT Coalition of the Pikes Peak region 10-11:30 am at RH. Pray that unity, communication and trust grows across agencies, and together they disrupt systems of exploitation and bring accountability across our community.	8. Pray for individuals, organizations, and businesses to become sponsors and participants for our July 25 th clay shoot.	9. We always ask for blessings over our volunteers. Pray that volunteers will choose items that would be most meaningful for each survivor.
10. Pray for compassionate landlords as we seek additional apartments, and for wisdom to provide trauma-informed housing that helps survivors transition into stable, subsidized living.	11. Pray for the healing of each survivor who will receive our Hope Bags – that they would be able to connect to the resources and support they need.	12. HT Task Force meets 5:45–7:15 at RH. Pray for growing community awareness, and for people to respond with courage, compassion, and responsibility.	13. Pray that detectives and victim specialists handling trafficking cases are guided by deep wisdom and clear discernment as they carry out their work.	14. Pray for Sarah's Home and Daniel Academy, that the state will show favor toward them and approve all the work they do. Praise God for safe home programs	15. Give praise for a terrific Mentor/Staff Retreat in Estes Park. God was truly with us as we rested with Him and created community.	16. Pray for safe houses and housing providers, that they have the resources, unity, and discernment in creating secure, restorative environments.
17. Give thanks for organizations that provide residential programs for Survivors, like Bakhita Mountain Home, that provides housing and support services to help them reintegrate to society.	18. We praise and thank God for the Survivors who choose to reach out to RH and trust us to work with them. This takes courage and strength as it did to escape their trafficking.	19. Pray for the Survivors who are still on the streets with their traffickers. Ask the Lord to give them the resources and strength to fight for their freedom.	20. Pray for new mentees entering the program, that each mentor match is blessed and provides meaningful support and guidance.	21. Pray for outreach workers, case managers, and advocates, that they have endurance, wisdom, and protection from burnout as they walk closely with survivors.	22. Pray for those who have become Hope Claimers after going through our Mentee program; that they will continue to grow in their restoration journey.	23. Pray for consistent, sustainable funding, that resources grow to meet needs and no survivor is ever turned away.

Pray for at-risk youth and vulnerable populations, for early support, safe relationships, and practical resources . Protect them from exploitation before it begins.	26. Pray for Safe House Project as they support Survivors transitioning into restorative care. Pray for their new app "Simply Report", as they work to turn observations into actionable intelligence for law enforcement.	27. Pray for law enforcement, investigators, and prosecutors, that they pursue justice with integrity and care for victims throughout the process.	28. Ask the Lord to protect and guide our staff as they speak up about trafficking in many organizations, churches, and conferences. Protect them from spiritual warfare as they work against evil.	29. Pray for families of Survivors, that they are equipped to support healing and restoration where safe and appropriate.	30. Pray for discernment and unity among partner organizations, that coloration is strong, gaps are closed, and care is seamless for those served.
